RE: IRMA Exemption Letter for: Tobacco Settlement Financing Corporation

The Virginia Department of the Treasury (Treasury) is publicly posting the following written disclosure and intends that market participants receive and use it for purposes of the independent registered municipal advisor exemption to the SEC Municipal Advisor Rule (17 C.F.R. § 240.15Ba1-1, et. seq.).

Treasury serves as staff to the Tobacco Settlement Financing Corporation (TSFC).

The Commonwealth of Virginia through Treasury has retained Public Resources Advisory Group, a registered municipal advisor, as its municipal advisor. The TSFC is represented by and will rely on the Commonwealth of Virginia's independent<sup>1</sup> municipal advisor to provide advice on proposals from financial services firms concerning the issuance of municipal securities and municipal financial products (including investments of bond proceeds and escrow investments, if applicable).

As to be determined by Treasury and/or the TSFC, proposals from a financial services firm related to the TSFC may be shared with its municipal advisor.

Unless this letter is revised or revoked after the date hereof, market participants may rely on the representations contained in this letter through June 30, 2025.

---

<sup>1</sup>Public Resources Advisory Group has advised Treasury that they are registered as municipal advisors with the SEC and the Municipal Securities Rulemaking Board. In addition, the personnel of the firm who will advise on such recommendations have represented to Treasury that they have not been associated with an investment banking firm within the two years prior to the date of this certificate. Each financial service firm seeking to rely on the representations contained in this disclosure must satisfy itself that such firm is not associated with the applicable registered municipal advisor prior to providing proposals to Treasury or the municipal issuing entity listed above.
