APPROVAL OF MINUTES OF THE MARCH 2, 2023, VIRGINIA PUBLIC BUILDING AUTHORITY (“VPBA” OR “AUTHORITY”) BOARD MEETING

Chairman Williams asked if there were any changes or revisions to the March 2, 2023 meeting minutes. Hearing none, she asked for a motion to approve the meeting minutes. Ms. Bishop made the motion to approve the minutes as presented. Mr. Mahone seconded the motion, and the motion was adopted with an abstention from Mr. Richardson, as he was not present at the March 2023 meeting. (Attachment B)

CONSIDERATION OF RESOLUTION AUTHORIZING VPBA SERIES 2024 BONDS

Chairman Williams asked Mr. Conrad to review the information for the proposed Series 2024A, B and C Bonds. Mr. Conrad reviewed the Preliminary Financing Summary for the proposed issuance. He noted staff is recommending a new money issuance to fund approximately \$250 million of projects on a tax-exempt and taxable basis and a potential refunding issuance for debt service savings. He stated that under current assumptions, the plan would call for the issuance of \$191,935,000 of new money tax-exempt bonds (Series A), \$285,560,000 of tax-exempt refunding bonds (Series B), and \$30,000,000 of new money taxable bonds (Series C). The proceeds from the three issues will (i) finance the acquisition, construction, improvement, rehabilitation, furnishing and equipping of various public facilities for use by or on behalf of the Commonwealth and its agencies, (ii) finance the Commonwealth’s payment of the costs of certain grants and of regional and local jail and juvenile detention facility projects, (iii) refund certain maturities of bonds previously issued by the Authority, and (iv) pay costs of issuing the 2024 Bonds. Mr. Conrad noted that the Authority plans to sell the bonds competitively on May 21, 2024, with an estimated closing date on June 12, 2024.

Mr. Mahone posed a question about the submission of reimbursement requisitions. He asked if agencies were slowing down on facility projects or did COVID cause the decrease in fund requests. Mr. Conrad said the VPBA did not issue bonds during fiscal year 2023 due to the slowdown of requisition submittals from agency projects in fiscal years 2022 and 2023. However, requisition reimbursement requests have normalized in fiscal year 2024. Mr. Conrad also added that in each year of the current biennium, the General Assembly authorized cash from the Commonwealth’s General Fund for agency use for Capital Maintenance. Mr. Conrad speculated that this may have affected the flow of reimbursement requests. Mr. Conrad mentioned that staff is working with Trust Accounting in analyzing requisition flow and reimbursement trends. Brad Jones, Director of Debt Management, commented about delays in starting projects and also COVID being a factor. Mr. Jones also said that the Authority was eligible and had secured a Treasury Loan until new tax-exempt and taxable bonds were issued to cover any requisitions. Ms. Bishop asked if other authorities had similar spend patterns. Mr. Jones noted that the Virginia College Building Authority’s (“VCBA”) 21st Century program is similar in structure, but that the VCBA has experienced consistent spending, unlike the VPBA. Ms. Bishop also asked about the trends of the Virginia Public School Authority (“VPSA”) and the Virginia Resources Authority (“VRA”). Mr. Jones said spend patterns can fluctuate with local governments that finance through VPSA and VRA. Ms. Attreed confirmed Mr. Jones’ comments.

Mr. Conrad then asked the Authority's Financial Advisor, Frasca & Associates LLC, if they had any comments to share with the Board relative to the bond issue or the market in general. Dianne Klaiss commented that Virginia bonds are always well received in the market and that the refunding will add to investor interest.

Mr. Conrad then turned the presentation over to the Authority's Bond Counsel, Ben Wills, of Kaufman and Canoles. Mr. Wills began his comments, referring to the Preliminary Official Statement, Continuing Disclosure Agreements, Notices of Sale, 41st Supplemental Indenture, Bond Purchase Agreement (in case of a negotiated sale), the Facilities Agreement and Amendment to Facilities Agreement documents. He noted the purpose of each form document.

Mr. Wills then reviewed the Recitals of the Resolution. (Attachment C) Mr. Wills noted that the Resolution provides for the issuance of up to \$300,000,000 in new money bonds, whether issued as tax-exempt, taxable, or a combination of both. He noted the final maturity on the new money bonds may not be later than August 1, 2044 and he specified the true-interest cost limitations across the potential tax-exempt and taxable bonds. He additionally reviewed the parameters of the refunding bonds, including the savings thresholds. It was noted that the savings threshold is a minimum of 2.00% with an exception for the 2010B-2 Build America Bonds which are proposed to be permitted with a structure that would generate net present value debt service savings and debt service certainty. After Mr. Wills' review of the Resolution, Chairman Williams asked for a motion to approve the Resolution authorizing the issuance, sale, and award of VPBA's Series 2024 Bonds. Ms. Bishop made the motion to approve the Resolution. Ms. Attreed seconded the motion, which passed with unanimous approval of the Board. (Attachment D)

WHEREAS, the Authority has entered into (a) a Master Indenture of Trust, dated as of April 15, 1997 (as amended and supplemented from time to time, the “Master Indenture”), with Signet Trust Company (predecessor in interest to The Bank of New York Mellon and The Bank of New York Mellon Trust Company, N.A.) as trustee (the “Trustee”), providing for the issuance from time to time of the Authority’s Public Facilities Revenue Bonds, and (b) a Payment Agreement, dated as of April 15, 1997, with the Treasury Board of the Commonwealth (the “Treasury Board”) providing for certain amounts appropriated by the Virginia General Assembly in its discretion to be paid to the Authority to make payments of debt service on bonds issued under the Master Indenture;

WHEREAS, to take advantage of market and other economic and financial conditions the Authority may determine, in consultation with Frasca & Associates, LLC, as financial advisor to the Authority (the “Financial Advisor”), to refund from time to time certain maturities of bonds previously issued by the Authority (any or all of such previously issued bonds are “Prior Bonds”), which (a) financed or refinanced the acquisition, construction, improvement, rehabilitation, furnishing and equipping of public facilities for use by the Commonwealth and its agencies, and (b) financed all or a portion of the Commonwealth’s payments of the costs of certain grants and of regional and local jail and juvenile detention facility projects in accordance with the applicable provisions of the documents setting forth the terms of such payments;

WHEREAS, in furtherance of the purposes of the Act, the Authority has determined to issue under the Master Indenture its Public Facilities Revenue and Refunding Bonds, in one or more series or sub-series with appropriate year and series designations as provided herein, which series may be issued, as federally tax-exempt or taxable bonds, as applicable (the “Bonds”), to (a) finance the acquisition, construction, improvement, rehabilitation, furnishing and equipping of various public facilities for use by the Commonwealth and its agencies, (b) finance the Commonwealth’s payment of the costs of certain grants and of regional and local jail and juvenile detention facility projects (clauses (a) and (b) are collectively referred to in this Resolution as the “Projects”), (c) refund various Prior Bonds or maturities thereof if market and other conditions so

warrant, and (d) pay costs of issuance of the Bonds, or any combination of the foregoing (Bonds issued to fund the purposes in clauses (a), (b) and (d) are referred to in this Resolution as “New Money Bonds” and Bonds issued for the purposes in clauses (c) and (d) are referred to in this Resolution as “Refunding Bonds”); provided, however, that before any Refunding Bonds are issued, the State Treasurer shall determine, on behalf of the Authority and as provided below, which Prior Bonds are to be refunded and the related redemption dates;

WHEREAS, a determination will be made closer to the time or times the Authority enters the market with the Bonds whether to offer and sell such bonds pursuant to a competitive bidding process or a negotiated underwriting or a combination of both, based on then-existing capital market or other economic and financial conditions and considering the advice of the Financial Advisor; and

WHEREAS, there have been presented to the Authority at this meeting and filed with its records drafts of the following documents:

NOW, THEREFORE, BE IT RESOLVED BY THE VIRGINIA PUBLIC BUILDING AUTHORITY THAT:

1. Preliminary Official Statement. The Preliminary Official Statement, in substantially the form presented at this meeting with such completions, omissions, additions and changes as shall be approved by the State Treasurer (the Secretary/Treasurer of the Authority) or his staff in connection with each offering and sale of the Bonds, including without limitation issuance of one or more series of Bonds as federally taxable, the interest on which will be includable in gross income of the holders thereof for federal income tax purposes, and the financing of the Projects and refunding of Prior Bonds, is approved and the distribution thereof is authorized, including any such completions, omissions, additions and changes as shall be necessary or appropriate in connection with either a negotiated or competitive sale(s) of the Bonds and in one or more series or sub-series and from time to time, all as further described below. The Authority authorizes the State Treasurer, or such other officer of the Authority as the State Treasurer may designate, to deem the Preliminary Official Statement final as of its date or dates for purposes of Securities and Exchange Commission Rule 15c2-12 (the “Rule”), and distribution of the Preliminary Official Statement shall constitute conclusive evidence that it has been deemed final as of its date, except for the omission of such pricing and other information as permitted by the Rule.

2. Determination of Manner of Sale. Depending on market and other economic and financial conditions, the Authority may sell all or any portion of the Bonds through a negotiated sale, a competitive sale or a combination of both. The Authority hereby delegates to the State Treasurer, or such other officer of the Authority as the State Treasurer may designate, with respect to the Bonds, the power to determine the manner of sale, as will best effect the provisions of the Act and this Resolution, and to select any underwriters, including syndicate members, for such Bonds (the “Underwriters”) through a competitive process of his choosing. In connection therewith, the State Treasurer, or such other officer of the Authority as the State Treasurer may designate, may provide for the sale of the Bonds in one or more series or sub-series from time to time with differing senior book-running Underwriters or by competitive sale for each such series or sub-series and different or multiple offering or purchase documents if necessary, desirable or in connection with the issuance of the Bonds, if in his sole discretion market conditions and other conditions so warrant.

3. Notices of Sale. If all or any portion of the Bonds are to be sold through a competitive sale, the Notices of Sale in substantially the form presented at this meeting, with such completions,

omissions, additions and changes as shall be approved by the State Treasurer or his staff in connection with the offering and sale of the Bonds, including the receipt of bids electronically, is approved and the distribution and advertisement thereof is authorized.

4 Issuance and Sale of the Bonds. Pursuant to the Act, the Authority authorizes the issuance of the Bonds in one or more series in accordance with the Master Indenture and the Forty-First Supplemental Indenture and the sale thereof through either a competitive or negotiated sale in order to finance Projects and refund Prior Bonds if market and other economic and financial conditions so warrant; *provided, however*, that:

 - (iv) if sold through a competitive sale, the New Money Bonds shall be sold at a price not less than (A) 99.40% of the aggregate principal amount thereof for New Money Bonds issued on a taxable basis, or (B) 100.00% of the aggregate principal amount thereof for New Money Bonds issued on a tax-exempt basis; and
 - (v) if sold through a negotiated sale, the New Money Bonds shall not be sold to the Underwriters with an underwriter’s discount in excess of 1.00% of their aggregate principal amount; and

(f) if any portion of the Bonds is sold through a competitive sale, to award such Bonds to the respective and responsive bidder(s) whose bids offer to purchase the Bonds at the lowest true interest cost to the Authority as determined by the Financial Advisor (the “Winning Bidders” and the “Winning Bids”), all in accordance with the terms of the Notices of Sale, including the receipt of bids electronically;

(g) to determine based on market, financial and economic conditions whether to proceed with the refunding of any Prior Bonds and in furtherance thereof, to determine which outstanding series of bonds or maturities thereof previously issued under the Master Indenture are to be Prior Bonds, the related redemption dates and the specific maturities of Prior Bonds to be refunded, if any, provided that any refunding of Prior Bonds achieves the parameters set forth in the preceding paragraph; and

(h) to take all such further action as may be necessary or desirable for the issuance, sale and delivery of the Bonds.

6 Forty-First Supplemental Indenture, Bond Purchase Agreement and Facilities Agreements. The Forty-First Supplemental Indenture, the Bond Purchase Agreement and the Facilities Agreements shall be in substantially the forms presented at this meeting, which are approved, with such completions, omissions, additions and changes, including those necessary to reflect any Bonds issued as federally taxable, the interest on which will be includable in gross income for federal income tax purposes, the Projects and the refunding of Prior Bonds, as applicable, and the specifics determined in accordance with paragraphs 2, 3, 4 and 5 hereof, and the Winning Bids or the Bond Purchase Agreement, as applicable, as shall be approved by the Chairman, Vice- Chairman or Secretary/Treasurer of the Authority. The Chairman, the Vice-Chairman or the Secretary/Treasurer, any of whom may act, is authorized and directed to execute the Forty-First Supplemental Indenture, the Bond Purchase Agreement, if applicable, and the Facilities Agreements, which execution shall constitute conclusive evidence of approval of any such completions, omissions, additions and changes, and to determine the Projects from time to time to be financed with proceeds of the Bonds and the respective managing agents, including the addition of new projects and managing agents for financing with proceeds of the New Money Bonds, provided that any such project must be authorized for Authority financing. The Forty-First Supplemental Indenture may have a different and additional numbered supplemental designation if necessary, desirable or in connection with the issuance of Bonds such that separate supplemental indentures may be used and are hereby authorized for any separate series or sub-series of bonds. The executed Supplemental Indenture shall be delivered to the Trustee.

7. Official Statement. The Authority authorizes and directs the State Treasurer and his staff to complete the Preliminary Official Statement as an official statement in final form (the “Official Statement”). The Chairman or Vice-Chairman of the Authority, either of whom may act, is authorized and directed to execute the Official Statement, which execution shall constitute conclusive evidence of approval of the Official Statement and that the Authority has deemed it final within the meaning of the Rule. The Authority authorizes and directs its staff to arrange for the delivery to the Winning Bidders or the Underwriters, as applicable, of a reasonable number of copies of the Official Statement, within seven business days after the sale date of the related Bonds, for distribution by the Winning Bidders or the Underwriters, as applicable, to each potential investor requesting a copy thereof and to each person to whom the Winning Bidders or the Underwriters, as applicable, initially sells Bonds. The Authority authorizes and approves the distribution of the Official Statement by the Winning Bidders or the Underwriters, as applicable.

8 Continuing Disclosure. The Authority covenants to undertake ongoing disclosure and provide “annual financial information” and “material event notices” in accordance with the Continuing Disclosure Agreement for the benefit of holders of the Bonds to assist the Winning Bidders or the Underwriters, as applicable, in complying with the Rule. The Authority authorizes and directs the Chairman, Vice Chairman, State Treasurer or such other officer of the Authority as the State Treasurer may designate, any one of whom may act, to execute the Continuing Disclosure Agreement in substantially the form presented to this meeting, which is approved with such completions, omissions, insertions and changes as the executing officer may approve. Execution of the Continuing Disclosure Agreement shall constitute conclusive evidence of approval of any such completions, omissions, insertions and changes.

9 Preparation of Bonds. The Chairman or the Vice-Chairman of the Authority, either of whom may act, and the Secretary/Treasurer or Assistant Secretary/Treasurer of the Authority, either of whom may act, are authorized and directed (a) to have the Bonds prepared and executed pursuant to the Master Indenture and the Forty-First Supplemental Indenture, (b) to deliver them to the Trustee for authentication, and (c) to cause the Bonds so executed and authenticated to be delivered to, or for the account of, the Winning Bidders or the Underwriters, as applicable, upon payment therefor.

10 Redemption of Prior Bonds; Escrow Provisions. If any refunding of Prior Bonds is undertaken, the Authority authorizes and directs the redemption and payment of Prior Bonds on the applicable redemption date and the giving of notice of such redemption(s), all as may be determined in accordance with paragraph 5 and in accordance with the provisions of the Master Indenture and any applicable supplemental indenture entered into in connection with Prior Bonds. The Authority authorizes the preparation, execution and delivery by the officers of the Authority of any escrow deposit provisions, either as part of the Forty-First Supplemental Indenture or in such separate agreement or agreements, as shall be appropriate to effect such refunding and redemption as determined in accordance with paragraph 5, and in accordance with the provisions of the Master Indenture and any applicable supplemental indenture entered into in connection with Prior Bonds, and as shall be approved by the State Treasurer or member of the State Treasurer’s staff as the State Treasurer may designate, with the execution and delivery thereof to constitute conclusive evidence of such approval.

11. Other Undertakings. The Authority authorizes and directs its staff, the Financial Advisor, and its bond counsel, Kaufman & Canoles, a Professional Corporation: (a) to prepare all documentation and take all action necessary or desirable to bring the Bonds to market through a competitive or negotiated sale as soon as practicable, (b) to advertise the Bonds for sale, and (c) to take such actions as shall be necessary or appropriate to obtain a rating or ratings for the Bonds.

12. Other Documents. The Authority further authorizes and directs its officers to execute and deliver all certificates, instruments and documents and to take such further action as they may consider necessary or desirable in connection with the issuance and sale of the Bonds, including, without limitation, execution and delivery of any applicable non-arbitrage certificate and tax compliance agreement setting forth the expected use and investment of proceeds of the Bonds issued as federally tax-exempt to show that such expected use and investment will not violate the provisions of Section 148 of the Code, and the regulations issued pursuant thereto, applicable to “arbitrage bonds,” making any elections that such officers deem desirable regarding any provision requiring rebate to the United States of arbitrage profits earned on the investment of proceeds of the Bonds, providing for payment of any such rebate amount and providing for ongoing compliance to maintain the tax-exempt status of the Bonds, in particular setting forth written procedures for monitoring post-issuance compliance with requirements of the Code and the regulations issued pursuant thereto applicable to tax-exempt obligations, including necessary or desirable remedial actions, in accordance with the Authority’s Post-Issuance Compliance Policy for Tax-Exempt Qualified Obligations (adopted by the Authority on January 19, 2010).

13. Other Actions. The Authority approves and confirms all other actions of its officers and staff that are in conformance with the purpose or intent of this Resolution and in furtherance of the issuance and sale of the Bonds.

14. Official Intent. In adopting this resolution authorizing the issuance of the Bonds, the Authority declares and reaffirms its official intent and that of the Virginia General Assembly to issue the Bonds and provide moneys to reimburse the Authority and/or the Commonwealth for expenditures with respect to the various Projects, as contemplated by the specific authorizing legislation and by Treasury Regulations 1.150-2 promulgated pursuant to the Code.

15. Conflicting Resolutions. All resolutions or parts of resolutions in conflict herewith are repealed.

16. Effective Date. This Resolution shall take effect immediately upon its adoption and shall continue in full force and effect until June 30, 2025, unless specifically extended or all of the Bonds are issued for the specific purposes set forth herein, and further it being the intent of this Resolution that the issuance of one or more series of Bonds does not preclude one or more subsequent and separate issuance(s) of Bonds from time to time to finance Projects up to the maximum amount(s) herein authorized or refund Prior Bonds as authorized above.
