**PRESENTATION OF SUMMARY OF THE DEBT CAPACITY ADVISORY COMMITTEE'S DECEMBER 2020 REPORT TO THE GOVERNOR AND GENERAL ASSEMBLY**

Chairman Long turned the meeting over to Mr. Jones to provide a summary of the annual Debt Capacity Advisory Committee (“DCAC”) Report. Mr. Jones noted a complete copy of the December 2020 Report (Exhibit 1) was included in the Board package. Mr. Jones said when the model was run in December 2020 it was calculated that \$544 million in additional debt could be authorized and issued in each of the next two years. Mr. Jones stated that the estimated amount is a \$221 million decline from last year’s capacity of \$756 million a year. He noted that the change in capacity is due to several factors. He noted there was a decline in the December revenue forecast due to COVID. He also noted that there were significant debt authorizations during the 2020 General Assembly Session that also caused a capacity decline. He noted approximately three years worth of capacity had been authorized. Mr. Jones added that interest rates remained low dropping from a model rate of 3.4% last year to 3.0% this year thus helping to offset what would have been an even lower capacity. He explained that while capacity remains, the Committee urged caution with any new debt authorizations given a potential rise in interest rates that would impact the significant amount of authorized and unissued debt and also the unknowns surrounding COVID. He stated that the VPBA bond issue being considered today is already included in the model as part of the authorized and unissued debt. Mr. Jones finished his summary by noting that the Governor’s introduced budget includes \$135 million of tax-supported debt – well under the estimated capacity.

After reviewing the report, Chairman Long asked if anyone had any questions. There were no questions.

**CONSIDERATION OF RESOLUTION AUTHORIZING VPBA SERIES 2021 BONDS**

Chairman Long asked Mr. Jones to review the information for the proposed Series 2021 Bonds. Mr. Jones reviewed the Preliminary Financing Summary and the bond documents for the proposed issuance. (Exhibit 2) He noted that all of the numbers contained in the Preliminary Financing Summary were as of February 1, 2021, but that Frasca had run updated numbers that he can share. He noted VPBA is planning to finance approximately \$650 million of project costs and is currently planning for the bonds to be issued on tax-exempt basis. Mr. Jones said that as due diligence is finished, a final determination will be made regarding whether any bonds should be issued on a taxable basis. He noted the expected par amount of the Series 2021A bonds is approximately \$515 million and that the VPBA is also planning to issue approximately \$11 million of taxable refunding bonds to refund a small taxable issuance. Mr. Jones stated that the purpose of the new money bonds is to fund general governmental projects, DEQ (water quality) projects and to provide funds for the state’s share of local and regional jail projects. He also noted funds would support a Virginia Port Authority dredging project. The security for the bonds is an appropriation pledge from the Commonwealth. He noted a competitive sale is planned for March 9<sup>th</sup> and a closing is targeted for March 31<sup>st</sup>. Mr. Jones further explained the structure of the bonds. He reported that the Series 2021A bonds will be broken into two sub-series since the issue is so large. The Authority’s Financial Advisor, Frasca, recommended breaking the issue into two pieces, which should make it easier for more participation and more competition for the sale. He noted the

revised numbers as of the date of the meeting reflect estimated all-in-true-interest costs as follows: 0.93% for 2021A-1; 2.27% for 2021A-2; 1.84% combined for 2021A-1 and A2; 1.28% for 2021B; and 1.84% for the combined 2021 Bonds. He also noted that if a taxable new money piece was to be needed, it is currently estimated to have an all-in true-interest cost of 2.14%. He noted that these estimates are all well below the maximum issuance parameters. He stated the estimated savings for the refunding bonds is \$1.6 million. He then reviewed the Preliminary Official Statement, Continuing Disclosure Agreements, Notices of Sale, 39<sup>th</sup> Supplemental Indenture, Bond Purchase Agreement, the Facilities Agreement and Amendment to Facilities Agreement documents.

Eric Hebert, representing Kaufman & Canoles, reviewed the Resolution. (Attachment E) After Mr. Hebert’s review of the Resolution, Chairman Long asked for a motion to approve the Resolution authorizing the issuance, sale and award of VPBA’s Series 2021 Bonds. Mr. Von Moll made the motion to approve the Resolution. Ms. Bishop seconded the motion. (Attachment F)

The Chairman then asked Mr. Jones to conduct a roll call vote. The votes were as follows:

Suzanne S. Long, Chairman	Yes
Carolyn L. Bishop	Yes
Manju S. Ganeriwala	Yes
John A. Mahone	Yes
David A. Von Moll	Yes

**OTHER BUSINESS**

Mr. Jones presented the Final Financing Summary of the VPBA’s Series 2020A New Money Bonds, 2020B Refunding Bonds and 2020C Federally Taxable Bonds. (Exhibit 3) The total par amount of the three series totaled \$509,245,000.

The Series 2020 A Bonds had a final par amount of \$204,180,000 and the Series 2020B Refunding Bonds totaled \$204,770,000. The Series 2020C Bonds were issued on a taxable basis and had a final par amount of \$100,295,000. Due to COVID, the method of sale for the bonds was changed from a competitive bid to a negotiated underwriting. All three series of bonds priced on April 9, 2021 and had a closing date of April 23, 2020

The 2020A Bonds had an All-in TIC of 2.50%. The 2020B Bonds had an All-in TIC of 1.42% with present value savings of \$21,881,374.20 or 9.16%. The 2020C Bonds had an All-in TIC of 2.93%. The planned taxable refunding portion was not issued due to a change in market conditions. The Authority received ratings of AA+, Aa1, and AA+ from Fitch Ratings, Moody’s Investors Service, and S&P Global Ratings.

The Senior Managing Underwriter for the bonds was Wells Fargo Securities. The Co-Managers were: Bank of America Securities, Citigroup, Davenport & Company LLC, J.P. Morgan, Ramirez & Co., Inc., Raymond James and Siebert Williams Shank & Co. LLC.

The total costs of issuance were \$391,569.

Chairman Long asked if there was any other business to come before the Board. No other business was brought before the Board.
