¹ Federal Reserve Bank H.15 Release

² Performance on the extended duration portion of the General Account is reported on an annualized total return basis. Total return includes unrealized gains and losses, which in the short term can make returns more volatile. Over an extended time period the fluctuations average out and total return approaches the portfolio

³ Actual YTM as of EOM as reported by external managers

⁴ Composite Rate is the PLP Yield blended with the EDCP Annualized Total Return.

⁵ Composite YTM based on average balance for PLP and EOM balances for EDCP
